

BEdHons Education Management, Law and Policy

Programme code

09240061

The purpose of the BEd (Hons) Education Management, Law and Policy is to equip educators at all levels of the education system to lead and manage effectively and thus to ensure the provisioning of quality education in a transforming educational environment. It also serves to equip qualifying students with the theoretical and disciplinary base for postgraduate research at a master's level.

A research project is compulsory and must be handed in for examination as prescribed by the particular department.

Faculty notes

The Faculty of Education at the University of Pretoria continues to develop into one of the largest and most diverse units in South Africa for the initial and advanced training of education professionals from across the world. A distinguishing characteristic of the Faculty is that it not only trains pre-service teachers but also educational psychologists, principals, researchers, programme evaluators, curriculum designers, computer education and training experts, assessment specialists, education policy analysts, community development workers and education law advisors working in national and international agencies and organisations.

Minimum duration

1 years, full-time
