## BEdHons Educational Psychology

---

### **Programme code**

09240092

The BEdHons Educational Psychology is a postgraduate qualification that enables you to render psychological counselling services to the community as a registered counsellor, or to develop psychometric tests as a psychometrist.

The degree specialises in two different contexts of which students need to choose one:

#### Counselling Psychometrics

Although this qualification will enable students to apply for the MEd in Educational Psychology, it is an academic programme and does not lead to registration as professional counsellor or psychometrist.

For more information, please consult the Faculty webpage.

## Faculty notes

The Faculty of Education at the University of Pretoria continues to develop into one of the largest and most diverse units in South Africa for the initial and advanced training of education professionals from across the world. A distinguishing characteristic of the Faculty is that it not only trains pre-service teachers but also educational psychologists, principals, researchers, programme evaluators, curriculum designers, computer education and training experts, assessment specialists, education policy analysts, community development workers and education law advisors working in national and international agencies and organisations.

## Minimum duration

2 years, full-time

---
