

MCom Accounting Sciences (Coursework)

Programme code

07250045

This degree aims to provide students interested in pursuing research in accounting with a rigorous background to the research methods typically used in studies published in leading journals. Candidates who successfully complete this degree will be equipped to identify researchable topics for Doctoral (PhD) degrees in accounting.

Please note

Only 15-20 candidates will be admitted to the programme.

For more information, please consult the Faculty webpage.
