

MPhil Internal Auditing (Coursework)

Programme code

07255231

Entrance to the programme is based on internal audit experience and the tertiary and professional qualifications of each individual. The programme will be offered on a part-time basis over a two-year period within four semesters. The education method will consist of a virtual classroom as well as contact sessions of two block sessions per semester. Contact sessions will be at either GIBS or UP. Examinations will be in the format of case studies which will be assessed by practitioners. A research article has to be submitted during the final semester to an accredited journal.

Due to capacity constraints, there may not be an intake of new students for every degree every year. It remains the applicant's responsibility to ensure that the degree they wish to apply for, will indeed be offered.
